A Meditation on God's LAP (love and peace)

December 7, 2023, 7:00 to 8:30 P.M

*I will radiate love and goodwill to others, that I may open
a channel for God's love to come to all.*

— Paramahansa Yogananda —

In times of turmoil and uncertainty, our souls fervently reach to understand how we can effect positive change in ourselves and the world. Guruji constantly stressed the importance of finding inner peace and harmony through deep meditation and sharing it with the world.

Peace in the world starts with peace in individual hearts. — PY —

Boulder County Meditation Circle invites devotees to join in a silent meditation service for world peace and harmony among all people and nations. The service will be held in our Longmont chapel. Brief readings and chanting will occur. If there is enough interest, we will hold similar services each month. We hope all can gather for this special service.

*Once you have found that peace within, then it flows out as a blessing to your
environment and the world. Harmony within, harmony without, harmony
everywhere! — PY —*
